**Loansome Doc** is the document-ordering component of PubMed. Loansome Doc allows the end-user to order the full-text of journal articles that are indexed in MEDLINE and other NLM databases. Prior to using Loansome Doc, you will need to complete 2 forms: 1.) the online Loansome Doc registration form, which is available through PubMed and 2.) this agreement with the Harley E. French Library of the Health Sciences. Loansome Doc document orders can be sent to only one library. In order to request articles from the Harley E. French Library of the Health Sciences via Loansome Doc, you must enter the LIBID **NDUNOD** on the registration form.

#### **NOTICE: WARNING CONCERNING COPYRIGHT RESTRICTIONS**

The copyright law of the United States (title 17, US Code) governs the making of photocopies or other reproductions of copyrighted materials. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any other purpose other than private study, scholarship or research." If a user makes a request for, or later uses, a photocopy or reproduction purposes of "fair use," that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of the copyright law.

I understand that the material I request may be subject to copyright restrictions (TITLE 17 US CODE.)

I hereby authorize the Harley E. French Library of the Health Sciences to process all requests as I have indicated and I further agree to pay any charges incurred for this service.
